LOS GATOS, Calif. (June 26, 2012) – TripInsurance.com ([www.TripInsurance.com](http://www.TripInsurance.com)), the most trusted online resource to help travelers find the trip coverage they need, today announced that insurance partner Old Republic Insurance Company has upgraded the travel insurance policies it offers through TripInsurance.com. The new “good” and “better” insurance packages offered by Old Republic now offer improved coverage for travel delays, emergency medical expenses, and personal belongings, at even greater savings.

“Old Republic is one of our most valued partners, and upgrading these policies clearly demonstrates how much additional value customers can get by buying direct using our online service,” said Dan Skilken, founder and CEO of TripInsurance.com. “We deliberately tier our coverage as Good, Better, and Best to make it easier for travelers to find the level of coverage that best meets their travel needs. And because we work so closely with underwriters like Old Republic, we are able to negotiate exclusive travel policies at exclusive rates and pass those deals along to our customers.”

For consumers looking for a great deal in travel insurance, the Old Republic Insurance “good” policy offered through TripInsurance.com now offers trip cancellation and trip interruption coverage for the full cost of the trip, as well as \$500 trip delay coverage. It also includes \$10,000 for medical expenses and \$20,000 for emergency evacuation with 24/7 travel assistance included. There also is \$500 in coverage for loss of baggage and personal effects.
